Chief Executive Officer
KMDA

Foreword

I am delighted to place before you the 2010-11 edition of the Annual Report of KMDA.

It has been another remarkable year for the largest parastatal organization in eastern India where with the active cooperation of each stakeholder we were able to maintain the pace of capital investments at a high level in Urban Infrastructure in the greater Kolkata area. This is a tribute to our dedicated team of Engineers/Planners and other officials & staff. Several new initiatives were taken and many more milestones crossed, details of which are available in the pages that follow.

I hope that scholars, administrators, public representatives and my own colleagues will find this document useful. Suggestions for improvement are welcome.
