Assignment Title: Preparation of Detailed Project Report for Pollution abatement and rehabilitation of Bagjola Canal, Kolkata, West Bengal

The Superintending Engineer (GAP), Kolkata Metropolitan Development Authority invites the participation as part of the proceeds for consulting services. The consulting services (“the Services”) include assessment of the existing arrangements for wastewater and solid waste management in the *Bagjola Canal* (“the *Canal*”) drainage basin, identification of the issues which contribute to the pollution and consequent *environmental degradation of the Canal* and develop strategies to redress the situation in the short-term, medium-term and long-term. The Services also include preparation of Master Plans for implementation of the above strategies and transform the plans into implementable detailed project reports for pollution abatement *and rehabilitation of the Canal*.

The Kolkata Metropolitan Development Authority now invites eligible consulting firms (“Consultants”) to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. The shortlisting criteria are: consulting firms must have prepared detailed project reports (surveying, strategic planning, detailed engineering, designing & estimating the cost, preparing bidding documents, etc.) for

1. Waste water projects—comprising sewerage network, sewage pumping/lifting stations, sewage treatment plant
2. Solid waste management projects with modern technology
3. Urban storm water drainage system and
4. Pollution abatement and conservation of stream/water body

The attention of interested Consultants is as follows:

The firms must possess adequate expertise with at least 12 (twelve) years experience in the relevant fields and should be financially sound and stable.

Consultants may associate with other firms in the form of a joint venture or a sub-consultancy to enhance their qualifications.

Consultant will be selected in accordance with the Quality and Cost Based Selection (QCBS) method set out *in the Consultant Guidelines*.

Details may be obtained at www.kmdaonline.org and also at the address below during office hours--12-00 to 16-00 hours (IST).

Expressions of interest must be delivered in a written form to the address below (in person or by mail or by fax or by e-mail) by **23/11/2017**
